Dear Dr. Kate Bazydlo:

Please accept our heartfelt thanks for your recent donation to Interim Place through the Basketeers. The families that arrive at Interim Place often leave their homes with nothing to call their own. Because your gift supports the needs of shelter residents as they start their new life free from abuse. It is through your generosity Interim Place can devote more of its limited funding to our specialized services such as legal counselling and advocacy, transportation to referrals and securing stable housing.

Community support helps us provide the best programs and services for women and children in the Peel Region.

Thank you for your community minded spirit and commitment to help these women and children on their journey towards a life free from abuse. Your generosity is helping us "Close the door on abuse" and "Open the door to hope".

Sincerely,

A handwritten signature in blue ink that reads "Effie".
