Dear Friends,

This letter is to thank you all for your wonderful contribution through the Basketeers program to the Honeychurch Family Life Resource Centre. The baskets we received for the Mom's at our shelter were absolutely phenomenal. We gave them to the Mom's after a Christmas luncheon and explained where they came from. They were so amazed and touched by your generosity that they cried at the site of the many useful items in each basket. We are delighted that you chose to support the work that we do here and appreciate your gift as we endeavour to meet the many needs of the families in our care.

As you know, women and children come to us every day looking for shelter from family violence. We endeavour to provide these families with the life skills, counseling and supports necessary to move on with their lives. It is through the support of individuals like you that we are able to provide this very necessary service to families in crisis.

Your support helps to make a difference in so many lives. We wish you all the best throughout the New Year.

Sincerely,

Marilyn Field
